## Notice on Opening of Ho Chi Minh Office in Vietnam of Our Subsidiary

Please be informed as follows that our subsidiary, TAMAGAWA ELECTRONICS VIETNAM CO., LTD. (hereafter "Tamagawa Vietnam") has opened its business location in Ho Chi Minh City in southern Vietnam for the purpose of sales of wireless communication and broadcasting equipment parts for Vietnam and neighboring Southeast Asian regions.

### 1. Reason for opening of Ho Chi Minh Office

In Southeast Asian regions, mobile communication infrastructures have been rapidly enhanced in recent years, and facility investment for 4G-LTE has been currently made in an active basis. On the other hand, 5G service has been started already in North America, and it will be started in March 2019 in Korea, and in late 2019 in China. Under such circumstances, Tamagawa Vietnam, who proposes high-quality and low-price products, has been increasingly receiving inquiries from overseas customers. Therefore, they have opened Ho Chi Minh Office as the location where they can lead positive order receiving activities to sales expansion.
