Tamagawa Holdings Co., Ltd.

A Statement Regarding the Earthquakes
in Kumamoto Prefecture and Surrounding Areas

Tamagawa Holdings would like to express its deepest sympathies to the many people affected by the series of earthquakes that have struck Kumamoto Prefecture and neighboring regions since April 14, 2016.

We also express our sorrow over the lives that have been lost, and our condolences to their loved ones.

All here at Tamagawa Holdings pray for the swiftest possible recovery in the regions hit by this disaster.

The Company's solar-energy power plant has not been affected by the earthquakes.
