Notice on Commencement of Power Sales of Small Wind Power Plant in Oma Town, Shimokita-gun, Aomori Pref.

Please be informed that we additionally started sales of electricity at one power plant (output: 19.8kW) among the four small wind power plants whose two other plants have already been started operation with announcement on December 28, 2018 after the Notice on Acquisition of the Fixed Asset (Small Wind Power Plant) by Conclusion of Installment-sales Agreement dated July 23, 2018.

Accordingly, three plants among all the four plants started operation and we expect it accelerates popularization and expansion of small wind power plants which we aim at.

Our group will continue to construct and operate renewable power plants for further profitability, popularization and promotion of environmentally-friendly renewable energies, and for lower environmental burden.

1. Specifications of windmill

(1) Windmill	HY Energy Co., Ltd.
(2) Maximum output	19.8 kW
(3) Rated wind speed	9.0 m/s
(4) Cut-in wind speed	3 m/s
(5) Cut-out wind speed	25 m/s
(6) Height	20 m
(7) Rotor diameter	15.6 m

2. Future forecast

Influence of the power plant to the result of this accounting period of consolidation is negligible.
