### Notice on Opening of New Base

Please be informed that we have opened Sendai Office as follows.

#### 1. Purpose of opening of the office

As informed in “Notice on Commencement of Joint Research with Tohoku University” dated February 14, 2019, we have been proceeding with building of commercialization system which can respond to the social transformation including our country’s next-generation social framework in collaboration with Tohoku University team (representative: Yasubumi Furuya / Tohoku University, Micro System Integration Center / Specially-appointed Professor), an international research hub with abundant research achievement.

By establishing a base in Sendai LABO CITY, we will promote creation of innovation and development of products involving the seeds of the cutting-edge technologies by further enhancement of collaboration between industry and academia.
